ART AND DESIGN EXPERIENCE

Freelance Animator/ Designer/ Video Editor, July 2022 - Present

- Worked with varieties of clients to bring a wide range of cohesive, collaborative ideas to life, from initial concept stages to final deliveries. Including but not limited to, website design, brand logos, advertising design, video editing, motion graphics, company branding, projections, live theater animations, and set design.

Freelance Animator/ Designer, Nickelodeon Animation Studios, CBS VIACOM, New York, NY, May 2021– August 2022

- Created fully rendered On-Air animations and designs in both 2D and 3D utilizing the Adobe suites (AE, PS, AI) & Cinema 4D.
- Designed and produced Bumpers, Lower Thirds, Title Cards, full 3D and 2D rendered animations, and design concepts. .
- Worked on projects including but not limited to; NFL Slimetime, Spongebob, NICK News, TeenNick, The Smurfs, The Loud House, Nick at Nite, Middlemost Post, and more.
- Experience with pipeline, file transfer and cloud based, real time file share with multiple teams while working remotely.
- Worked both individually and in teams creating and delivering multiple projects of varying lengths at once.
- Delivered highly detailed, On-Air ready animations and designs under tight deadlines with rapid turn-around schedules.

Motion Graphics Designer/ Video Editor, Ringling College of Art & Design, Sarasota, FL, August 2017 – May 2021

- Created fully rendered client-ready animations and designs from concept to completion utilizing the Adobe suites (AE, PS, AI, ID, PR, AU) Cinema 4D, Octane, Nuke, Ableton Live as well as utilizing traditional analog/ Fine Art skills.
- Designed and produced infographics, title sequences, pre-production animatics, full 3D and 2D rendered animations, pitch decks, style frames, branding packages, static illustrations, animated sticker sets, augmented reality (AR), storyboards, UX/ UI (user interface design), and more.
- Worked both individually and in teams delivering multiple projects simultaneously within short deadlines.
- Mentored other students both in person and remotely in 2D, 3D, project comprehension, idea generation, video editing, composition, design, and type.
- Participated in all phases of projects from initial concepts to final renders.

Graphic Designer, Lemon Bay High School, Englewood, FL, 2013 – 2016

- Designed logos for all school events and activities as well as client-based projects through the school
- Produced client logos, posters, tickets, and shirts/ vinyl cut designs for both in-house use and commissioned use
- Participated in and won 1st place in national Business competitions experimenting in branding, unified design and packaging
- Created original graphic designs for mass production and distribution as well as published school posters and events

Lighting Design and Operation, Alvirne High School and Lemon Bay High School, 2012-2016

- Designed, hung, and rigged lighting sequences for school theatrical productions as well as publicized school events such as assemblies and pep rallies
- Operated lighting board during events by hired clientele.
